* Committee composition must follow the Graduate School rules for composition of a final examination committee. These rules are in the Graduate Bulletin – refer to the **"FINAL EXAMINATION"** portion of the **"GENERAL REQUIREMENTS FOR ALL DEGREES"** (http://gradschool.uky.edu/graduate-school-bulletin).

Brief summary of meeting topics, including any decisions:

Also submit the following:

- Attach a complete list, semester by semester, of courses to be taken. (Submit the most recently approved course plan audited by the DGS, if the committee makes no change in that plan. If the committee modifies that plan, submit the new plan for audit by the DGS).
- Indicate on the attached course list which (if any) of the courses are specifically required by the committee.
- Students without an undergraduate degree in forestry: Identify on the attached course list which undergraduate courses are specifically required by the committee, *or* provide an explicit statement that no such courses are required by the committee.
