

Small Scale Logging: Cutting and Moving Logs Using ATV's and Tractors

Saturday, September 21 • 10 a.m. - Noon

Kentucky Wood Expo

Masterson Station Park • Lexington, Kentucky

University of Kentucky Forestry Extension will host a presentation and demonstration on the basics of small scale logging for landowners, and members of the logging community at the Kentucky Wood Expo. The presentation will include exposure to general practices and equipment demonstrations to help landowners safely and efficiently cut and move logs and firewood. Demonstrations will be hosted by exhibitors and will include the use of ATV mounted skidding plates, log arches, farm tractor log winches, ATV and tractor log loading trailers, chainsaw cutting and portable sawmilling. Registration is encouraged by calling 859.257.7597, but not required. The event is free, but does require Wood Expo admission (\$7 at the gate; \$5 in advance.)
